OTHER RENTAL INFORMATION

A note on dogs

We LOVE dogs and we want our guests to enjoy their vacation with the whole family, including the furry members. Up to two dogs are allowed at this cabin with prior approval- an additional fee applies. That being said, please be mindful of whether our home is appropriate for your dog(s).

We may not be the vacation rental for you if your dog(s):

- Consider barking to be a favorite pastime;
- Chew things other than bones;
- Like to visit the neighbors unsupervised (we do not have a fenced-in yard), and/or;
- Use the house as a bathroom.

We ask that your dogs be supervised when at the cabin and crated when you are not (One large crate is available at the cabin).

Also, it should not need to be said (but unfortunately needs to be, as we have had guests leave enough surprises for us), but PLEASE pick up after your dogs!! It is NOT the responsibility of our cleaners.

If planning to be out most of the day and wanting a local spot to send your pup, other guests have raved about Kevin's Kennels in Eagle River for a daytime care!
